For research synergies, it may be necessary to accredit certain persons, particularly professors, in the administration units of Institutes or other units:

1. **Accreditation of person** (attachment)
   If the person is a faculty member or an adjunct/SNSF-funded professor or senior scientist, please submit your request to Susan Killias (susan.killias@epfl.ch) for validation, indicating to which unit this person should be attached.

2. **Inclusion in official EPFL organisation chart** (co-affiliation for faculty members only)
   This may be requested in addition to inclusion in the directory. To do so, please submit the request together with a letter of justification to Susan Killias (susan.killias@epfl.ch) for validation, indicating to which unit this person should be attached.
